

# Gold Horizons Spa Foam Free

## Key Features

- Fast-acting foam reducer
- Targeted application with trigger spray
- Less waste

Gold Horizons Spa Foam Free has been especially formulated for use in hot tubs to prevent and control foaming.

## Application Instructions

1. When foaming appears, spray Gold Horizons Spa Foam Free directly over the foam.
2. Apply with the filtration running.

**Note:** Apply product when hot tub is not in use (away from bathers).
