Kleen Pool

Paddlecare Algae Protector

Key Features

- Prolongs paddling pool water usage
- Keeps slimy algae at bay
- Convenient 50ml sachet

Application Instructions

1. Fill the paddling pool with fresh water.
2. Carefully snip the corner of the sachet open and pour the contents directly into the paddling pool following the dosing guidelines below.
3. Separately, dose Super Fizz Sanitiser Tablets.
4. After application, gently swirl the paddling pool water to aid distribution.

Litres	Gallons	On fill/fortnightly
0 – 300	66	1 sachet
300 – 600	66 – 132	2 sachets
Over 600	Over 132	3 sachets
